305-10	X-Large		48.4

Description

ATLAS® XTRA 305 is an extra deep dipped blue colored Natural Rubber coated glove provides durable protection that covers the knuckles without sacrificing long-wearing comfort. The cotton/polyester lining provides extremely comfortable fit. The lightweight Natural Rubber coating provides outstanding grip. An elastic knit-wrist secures the glove above the wrist for comfort and preventing debris from entering the glove. When your job demands abrasion resistance all the way up above the knuckles and gripping power while maintaining maximum dexterity choose Showa 305. Knuckles are covered to provide more protection and dexterity.

Launder at 40° C (104° F) using a neutral detergent.

Suggested Applications:

- Construction
- Agriculture
- Carpentry
- Floor Tiling
- Maintenance
- Quarry Work
- Garbage Collection
- Highway Work
- Roofing
- Shipping and Receiving
