330-09	Large		34
330-10	X-Large		36

Description

This durable flat-dipped black colored Natural Rubber glove features a reinforced thumb crotch with a black on blue wear indicator for long-wearing comfort. The cotton/polyester lining provides extremely comfortable fit. The lightweight but durable Natural Rubber coating provides outstanding grip. An elastic knit-wrist secures the glove above the wrist for comfort and preventing debris from entering the glove. When your job demands abrasion resistance and extra long wearing especially in the thumb crotch, choose Showa Atlas 330 Re-Grip gloves. Launder at 40°C (104°F) using a neutral detergent.

Suggested Applications:

- Construction
- Agriculture
- Carpentry
- Floor Tiling
- Maintenance
- Masonry
- Garbage Collection
- Highway Work
- Roofing
- Shipping and Receiving

This list of suggested applications is partial and based on laboratory testing of glove performance.
