	MCR CE Series Latex Clean Room Gloves	ISO 4 level	4-200	TGL14*** - XS-XXL

* Produces more particle levels than TN 2000, But still qualifies for class 5 or higher clean rooms.
 ** Extra processing makes this glove more compatible in the the more critical clean rooms than the ISO 4 rating on the Microflex glove.
 *** Can be used in ISO 2 and 3 levels making it superior in these designated clean rooms.
